

Calling All Students in Grades 4-8

GREEN Youth Summit JR

November 22nd, 2008

greenschools is a non-profit organization whose mission is to create greener & healthier learning environments through education and awareness. We offer a variety of educational programs for schools and community groups across the state of MA. We have worked hard to pull together experts on a variety of Green topics. Our goal is to provide a fun, hands-on, educational experience so that students can go back to their schools/community and make *The Green Difference!*
