

Green Schools Assemblies for Schools & Community Groups:

Earth Day Is Every Day -- Featuring

During this program, students will learn a variety of ways to help keep our earth + bodies healthy! Students will learn that Earth Day isn't just one day a year! Learn how to pack a Green Lunch, Incorporate the 3 R's into daily/school life, Conserve Water and Energy, and bring *The Green Difference* to your School and Community.

[Recommended for Grades K-5]

Embrace your Energy Revolution -- Featuring

During this program, students will actively engage with Melodeegos's bike powered sound system! That's right, your students need to peddle and burn energy to make this program work! Through video, lively conversation, personal reflection, and music, participants understand the scale and urgency of our current global crisis, and feel an even greater opportunity to create a better world.

As one participant put it, "I have never in my life been so inspired... received or realized or thought about more things than ever before."

[Recommended for Grades 6-12]

Program Fees:

Student Assemblies: \$750 [1st assembly] \$500 for each additional assembly.

Note: Membership is FREE when you book 2 shows!
